👤 Personal Details

✦ Objective

I have a methodical approach to work, learn and develop personal skills in a practical setting. Eventual career goal is to become a fully-qualified and experienced business man in the Fintech industry with an intention of creating employment for young youths and targeting the global market as a whole.

💼 Experience

LendBox *01/06/22 -*
Software Developer intern *20/09/22*

Collaborated with the team to work on both the front-end and back-end for the Loan management system.
Gained experience in team Leadership and Communication.
Assisted with tasks on the Lendbox wesite and well as the mobile app.

ZPOS *20/12/2021*
Product Manager/Developer *-*
In my winter vacation, I had the opportunity to *17/02/2022*
work as an intern for a Point Of Sale company Zpos. It was only for 3 months, but I learned a lot about Point of Sale services for small and medium size companies. I also learned to deal with time pressure and learned how to prioritize work to be more efficient. in addition, I gain experience in programming languages such as JavaScript ES7 and React J's and React native frameworks. It was a great experience that I know will help me when I start my career.

Prudential Assurance Company *11/01/19 -*
Sales consultant *02/02/19*

🎓 Education

Mbala secondary School *2018*

DMI St. Eugene University *2020-2023*
Bachelor of science in Computer Science
GPA above 3.6
